

LUXPOINT® GU10 Spot Light

Datasheet

Colors:

Black

White

No bulb
included

The GU10 Adjustable Spot Light is a stylish and functional lighting solution designed to enhance any space. With its flexible head, it allows for precise direction of light, making it perfect for highlighting artwork, architectural features, or task areas. Compatible with GU10 bulbs, this spotlight offers energy efficiency and easy bulb replacement. Ideal for both residential and commercial environments, it seamlessly combines modern aesthetics with practical illumination to elevate your interior design.

Benefits

- Versatile Lighting Options
- Enhanced Ambiance
- Customizable Configurations
- Long-lasting Durability
- Adjustable Angle

Applications

- Homes
- Receptions
- Galleries
- Retail stores
- Restaurants
- Other demanding environments

Dimensions	Height	81 x 81mm	Ø81mm
	Width	83 x 83mm	Ø83mm
	Depth	85mm	85mm
Weight		275g	205g
Housing		Iron	

System Specifications

Power	AC mains
Control	ON / OFF
Installation	Surface
Environment	Indoor (IP20)
Safety Approval	Electrical Protection Class I, RoHS

Due to the special conditions of manufacturing process of LED, the typical data of technical parameters can only reflect statistical figures and do not necessarily correspond to the actual parameters of each single product which could differ from typical data.

Exceeding maximum ratings for operation voltage will cause hazardous overload and will likely destroy the LED module.

Exceeding maximum ratings for operation and storage temperature will reduce expected life time or destroy the LED module.

Specifications are subject to change without notice. Errors and omission excepted, always make sure to use the most recent release.
